

# Look Homeward Angel

Johnnie Ray

(Ahh, ahh, ahh, ahh, ahh)

Look homeward, angel  
Tell me what you see  
Do the folks I used to know remember me?

Look homeward, angel  
Eye my lady fair  
Does she dream about the love we used to share?

So she'll know how very much I miss her  
Angel, while she's dreaming, won't you kiss her?

Look homeward, angel  
One thing I must know  
Do her empty arms still yearn for me alone?

So she'll know how very much I miss her  
Angel, while she's dreaming, won't you kiss her?

Look homeward, angel  
One thing I must know  
Do her empty arms still yearn for me alone?

Do her empty arms still yearn for me alone?

(Ahh, ahh, ahh, ahh, woo)
