

Look Homeward Angel

Johnnie Ray

(Ahh, ahh, ahh, ahh, ahh)

Look homeward, angel
Tell me what you see
Do the folks I used to know remember me?

Look homeward, angel
Eye my lady fair
Does she dream about the love we used to share?

So she'll know how very much I miss her
Angel, while she's dreaming, won't you kiss her?

Look homeward, angel
One thing I must know
Do her empty arms still yearn for me alone?

So she'll know how very much I miss her
Angel, while she's dreaming, won't you kiss her?

Look homeward, angel
One thing I must know
Do her empty arms still yearn for me alone?

Do her empty arms still yearn for me alone?

(Ahh, ahh, ahh, ahh, woo)
