Walking My Baby Back Home

Johnnie Ray

Walking my baby back home

Gee but its great after staying out late

Walking my baby back home

Arm in arm over meadow and farm

Walking my baby back home

We go along harmonizing a song
Or I'm reciting a poem
The hours go by and they gave me the eye
Walking my baby back home

And we stop for a while, she gives me a smile And cuddles her cheek to my chest And we start in to pet and that's when I get Her powder all over my vest

And just when I try to straighten my tie She wants to borrow my comb One kiss and then we continue again Walking my baby back home

We stop for a while, she gives me a smile And cuddles her cheek to my chest We start in to pet and that's when I get Her powder all over my vest

And just when I try to straighten my tie She wants to borrow my comb One kiss and then we got to do it again Walking my baby back home
