Standing In For Jody

Johnnie Taylor

I don't need nobody Shaking my tree Save all your love Save it just for me

You kiss me but the Feeling just ain't there, no, no You're saving the real thing for Jody And you're using me just for a smile I can see through that

You come running, running Running, running, running to me Each time Jody makes you cry Lord, have mercy

You're nothing but a fool for Jody Well, I'm a bigger fool to watch the Tears as they fall from your eyes All right, now

I'm gonna tell you something
I'm tired of standing in for Jody
(I got to keep you for myself)
Oh, tired of standing in for Jody
(I got to keep you for myself)
You see, a man can't be a man
Playing second fiddle to someone else

One day, one day soon, baby You're gonna wake up and see Jody's just using you, baby The same doggone way

But let me tell you something I'm so tired, I've had enough 'Cause you call his name When we're making love

Each day, I love you A little bit more How do you think I feel When Jody comes around And I have to go

I don't want nobody Shaking apples in my tree Save all your love Give it just for me Oh, yeah, now

Stop using me Using me, using me Lord, have mercy

I'm tired of standing in for Jody (I got to keep you for myself) oh

I'm so tired of standing in for Jody
(I got to keep you for myself)
A man can't be a man playing
Second fiddle to someone else

I bet somebody's waiting out there Tonight, watching their watch Trying to see what time it is Jody was supposed to pick you up Take you to the movie show

Then he called and Told you it was too late I got another date, honey Can't see you no more

Don't you get tired Of waiting on Jody Standing in, standing in And waiting
