

# We're Getting Careless With Our Love

Johnnie Taylor

Wake up, little darling  
It's time to go home  
If sunrise catch us sleeping  
We'll be caught up in the wrong

Last time we were together  
You made it home in  
Just the nick of time  
We got so much love between us  
It's getting hard to meet the deadline

We're getting careless with our love  
We're getting careless with our love  
So careless with our love affair

Wake up, little darling  
Because time, it won't stand still  
Going home to someone  
You don't love no more  
I know it's against your will

I hate to see you leave  
With tears all over your face  
Just like Sherlock Holmes  
The whole world is on my case

We're getting careless with our love  
I can't help but get careless with our love  
We're getting careless with our love affair

Some people say that it's wrong  
But it's the only love we know  
And it keeps on getting strong

Every time we see each other  
Our love gets a little stronger  
That's why I don't want you to leave  
I wanna hold you a little longer

We're getting careless with our love  
I can't help but get careless with our love  
We're getting careless with our love affair

Lord, have mercy now  
Lord, Lord, Lord, Lord

I think we better find, I think  
We better find another meeting place  
Before the whole world is gonna know  
We might mess around  
And make a disgrace

You see, honey  
The rumors are spreading  
The rumors are spreading all over town  
And we don't wanna be like Mrs. Jones  
We can't meet at the same place

Every time I see you, baby  
I know other folk can see that  
Look that we have in our eyes

Yeah, when you see me  
You're supposed to walk on by  
But I can feel it in my heart  
That we're getting careless  
Careless, careless, careless

We're getting careless  
We're getting careless  
Careless, careless, careless  
Careless, careless, yeah

We're getting careless  
Careless, careless, careless  
We're getting so careless.
