

Drinking Wine, Spo-Dee-O-Dee

Johnny Burnette

Well, down in New Orleans where everything's fine
All them catfish, drinkin' that wine
Drinkin' that mess with delight
An' when they get drunk they fight all night

Drinkin' wine spo-dee-o-dee, wine bop-bop
Wine spo-dee-o-dee, drinkin' wine
Drinkin' wine spo-dee-o-dee, pass that bottle to me

Well, I got a nickel, have you got a dime?
Let's get together and buy a little wine
Some by the fifth, some by the quart
When you buy sherry, you're doin' things smart

Drinkin' wine spo-dee-o-dee, wine bop-bop
Wine spo-dee-o-dee, drinkin' wine
Drinkin' wine spo-dee-o-dee, pass that bottle to me

Well, wine-wine-wine, oh, wine-wine-wine
Yeah, wine-wine-wine, oh, wine-wine-wine
Oh down in New Orleans, pass that bottle to me

Drinkin' that mess with delight
An' when they get drunk they fight all night
Knockin' down windows, bang down doors
Drinkin' half a gallon an' then holler for more

Drinkin' wine spo-dee-o-dee, wine bop-bop
Wine spo-dee-o-dee, drinkin' wine
Drinkin' wine spo-dee-o-dee, pass that bottle to me

Oh, wine-wine-wine, oh, wine-wine-wine
Oh, wine-wine-wine, oh, wine-wine-wine
Oh, down in New Orleans, pass that bottle to me
