

# Sweet Love On My Mind

Johnny Burnette

Well, I'm a man who's got nothing  
But sweet love on my mind  
If you really gonna leave me  
Let me love you just one more time

Well, you know I love you baby  
I need your lovin' bad  
Well give me some sweet love right this minute  
Or you're gonna make me mad

I'm a man who's got nothing  
But sweet love on my mind

Well, you love me, then you leave me  
And I cry the whole night through  
Yeah you love me, then you leave me  
And I don't know what to do

I need your little ol' arms around me  
To hold and squeeze me tight  
But you just love and leave me gal  
And you know that that ain't right

I'm a man who's got nothing  
But sweet love on my mind

I'm a man who's got nothing  
But sweet love on my mind  
Well, now won't you love me baby  
And I know I don't lose my mind

Well, you know I love you honey  
But you don't treat me right  
Better give me just a little bit of your sweet lovin'  
Or we're gonna have a big fight

I'm a man who's got nothing  
But sweet love on my mind  
Well the river looks cold  
And the bottom is a long way down  
If you really gonna leave me  
That's where I'm gonna be found  
When the mailman comes in the morning  
There's a note upon my door  
Just bring my mail to the bottom of the river  
I don't live here no more

I'm a man who's got nothing  
But sweet love on my mind
