

# A Thing Called Love

Johnny Cash

Six foot six he stood on the ground  
He weighed two hundred and thirty-five pounds  
But I saw that giant of a man brought down  
To his knees by love

He was the kind of man that would gamble on luck  
Look you in the eye and never back up  
But I saw him crying like a little whipped pup  
Because of love

You can't see it with your eyes, hold it in your hands  
But like the wind it covers our land  
Strong enough to rule the heart of any man  
This thing called love  
It can lift you up never let you down  
Take your world and turn it around  
Ever since time nothing's ever been found  
That's stronger than love

Most men are like me, they struggle and doubt  
They trouble their minds day in and day out  
Too busy with livin' to worry about  
A little word like love

But when I see a mother's tenderness  
As she holds her young close to her breast  
Then I think god that the world's been blessed  
With a thing called love

You can't see it with your eyes, hold it in your hands  
But like the wind it covers our land  
Strong enough to rule the heart of any man  
This thing called love  
It can lift you up never let you down  
Take your world and turn it around  
Ever since time nothing's ever been found  
That's stronger than love
