

# Dinosaur Song

Johnny Cash

Dinosaurs lived a long time ago  
They were terrible lizards, don't you know?  
Some ate plants and some ate meat  
Some ate fish and some ate beasts

One was called Diplodocus  
One was bigger than your school bus  
One was called a Triceratops  
Three horns to stop anything that hops

Now can't you just see yourself walking along  
Leading your pet Trachadon or feeding your Brontosaurus Rex?  
Or scratching your Diplodocus neck  
Or riding on a Stegosaurus back or swimming in a Brachiosaurus track

Oh what a time and oh what a fun  
Play and tag with your Iguanondon  
And if we had dinosaurs  
Now could they get along with a horse and a cow?

Well, I wish they hadn't become extinct  
Dinosaurs would be nice pets and friends  
To have around to run outside  
And play with everyday, don't you think?
