

Drive On

Johnny Cash

1. I got a friend named Whiskey Sam
He was my boonierat buddy for a year in Nam
He said is my country just a little off track
Took 'em twenty-five years to welcome me back

But, it's better than not coming back at all
Many a good man I saw fall
And even now, every time I dream
I hear the men and the monkeys in the jungle scream

R: Drive on, it don't mean nothin'
My children love me, but they don't understand
And I got a woman who knows her man
Drive on, don't mean nothin', drive on

2. I remember one night, Tex and me
Rappelled in on a hot L.Z.
We had our M16's on rock and roll
But, with all that fire, I was scared and cold
We were crazy, we were wild
And I have seen the tiger smile
I spit in a bamboo viper's face
And I'd be dead , but by God's grace

R: Drive on...

3. It was a real slow walk in a real sad rain
And nobody tried to be John Wayne
I came home, but Tex did not
And I can't talk about the hit he got
I got a little limp now when I walk
Got a little tremolo when I talk
But my letter read from Whiskey Sam
You're a walkin' talkin' miracle from Vietnam

R: Drive on...
