

Good Night, Irene

Johnny Cash

R: Irene, good night, Irene, good night.
Good night Irene, good night Irene,
I'll see you in my dreams.

1. Last saturday night I got married
Me and my wife settled down
Now my wife and I for a party
gonna take another stroll downtown

R: Irene...

2. Sometimes I live in the country
Sometimes I live in the town
Sometimes I take a fool notion
To jump in the ocean and drown

R: Irene...

3. Stop your ramblin` stop your gamblin`
Stop stayin` up late at night
Go home to your wife and family
Stay there by fireside bright

R: Irene...
