

# Good Night, Irene

Johnny Cash

R: Irene, good night, Irene, good night.  
Good night Irene, good night Irene,  
I'll see you in my dreams.

1. Last saturday night I got married  
Me and my wife settled down  
Now my wife and I for a party  
gonna take another stroll downtown

R: Irene...

2. Sometimes I live in the country  
Sometimes I live in the town  
Sometimes I take a fool notion  
To jump in the ocean and drown

R: Irene...

3. Stop your ramblin` stop your gamblin`  
Stop stayin` up late at night  
Go home to your wife and family  
Stay there by fireside bright

R: Irene...
