

# I'd Rather Have You

Johnny Cash

I'd rather go to a rodeo then shoppin' on rodeo drive  
I'd rather lay on the grass with you and watch the planes than  
to have to fly  
I'd rather have you than ringling and barnum & baily circus wit  
h all three rings  
And the high trapeez and the lady on the horse and the train th  
at carries them thru  
Stacked up against all the gold in africa, I'd rather have you

I'd rather share a hotdog with you than dinner with the preside  
nt  
Offer me a castle on a mountain top, I'll take you in a tent  
I'd rather be alone with you than to have my very own satellite  
To talk and sing and say everything to everybody, do whatever i  
wanna do  
And to be number one on who is who, I'd rather have you

I don't crave applause and praise or holidays with my way paid  
I don't want to incorporate nor to be top rate nor a head of st  
ate  
I don't want to play the digery-do nor the sitar or the kazoo  
Just the two of us alone will do, I'd rather have you

I'd rather have tickets to the movies with you than the one tha  
t wins the lottery  
Rather walk on the beach with you than to own all the ships at  
sea  
I'd rather have you than the qe2 and the eiffel tower, the roya  
l jewels

And the brooklyn bridge, and the toll pay to go thru  
And throw in a texas well or two, I'd rather have you
