

# I Do Believe

Johnny Cash

I do believe that I won't make it through the night  
If you don't come on back to me and love me now  
There ain't no way that I can say that it's all right  
I do believe that you're not thinking anyhow

But I believe if you'll remember how it was a little while  
If you'll recall that what we had was hard to beat  
And I believe that if you'll meet me half way down that second  
mile  
We will trade in all the bitter for the sweet

I do believe that you're not happy without me  
I think you feel the way I'm feeling without you  
Come on and give in to that feeling one more time  
I do believe you won't regret it if you do

But I believe if you'll remember
