

# I Don't Think I Could Take You Back Again

Johnny Cash

Now you don't have to worry about me babe  
Just hook 'em up and head on out to the places where you've been  
Go ahead and fly like an eagle in the sky  
And when you land you'll find I'm still your friend  
But I don't think I could take you back again  
Ain't no need to bother about me babe  
Someone will come along and she will take me by the hand  
Together we will walk where the grass is green and new  
And I'll even think about you now and then  
But I don't think I could take you back again  
Hey where you going you can't get there without me so goodbye  
Go on goodbye  
And remember though I'm setting you free I won't cry cry cry  
I've seen you toss and turning in your sleep babe  
Now your dreambags're packed you've got your ticket in your hand  
When you love someone you want what's best for them  
That's how it is and that's how it's always been  
And I don't think I could take you back again  
Hey where you going...
