

I Forgot More Than You'll Ever Know

Johnny Cash

You think you know the smile on her lips the thrill at the touch of her fingertips

But I forgot more than you'll ever know about her

You think you'll find a heaven of bliss in each caress and each tender kiss

But I forgot more than you'll ever know about her

You stole her love from me one day you didn't care how you've hurt me

But you can never steal away memories of what used to be

You think she's yours to have and to hold

But someday you'll learn when her love grows cold

That I forgot more than you'll ever know about her

You stole her love from me...
