

# I Promise You

Johnny Cash

I promised you the day you marry me  
I'll be everything to you that I should be  
And while you're in the springtime of your years  
You'll not know what it's like to shed a tear  
I'll be the same through all that we go through  
I promise you I promise you

I promise you for richer or for poorer  
I'll more than share each pain that you endure  
And when you're in the autumn of your years  
You'll call me in the night and I'll be near  
I love you and I'll let you know I do  
I promise you I promise you

I promise you for better or for worse  
I'll stand by you as I did at the first  
And when you're in the winter of your years  
I'll be right by your side to dry your tears  
Yes I'll be the same through all that we go through  
I promise you I promise you  
I promise you I promise you
