

I've Been Everywhere

Johnny Cash

1. I was totin` my pack along the dusty Winnamucca Road
When along came a semi with a high-end canvas covered load
"If you're going to Winnamucca mack, with me you can ride"
And so I so I climbeed into the cab and then I settled down inside
He asked me if I`d seen a road with so much dust and sand
I said listen: I`ve traveled every road in this here land
