

I've Got A Thing About Trains

Johnny Cash

Train train train I've got a thing about trains
I get a sad kind of feeling when I see a passenger train
In this fast movin' world that we live in nobody rides 'em much
these days
Maybe I'm a little sentimental cause I know that things have to
change
But I'd still like to go for a train ride cause I've got a thin
g about trains

Train train train you're fading from the scene
But you've had your days of glory train train train

(guitar)

Train they say you're too slow for travelin' but I'm gonna miss
you some day
When my little boy says daddy what was it like to ride a train
I'll just say it was a good way to travel when things didn't mo
ve quite so fast
And I'm sorry son that you can't ride one the trains are the th
ing of the past

Train train train you're fading from the scene
And I'm gonna mourn your passing train train train
I've got a thing about trains
