

It'll Be Her

Johnny Cash

If anyone ever finds a better way
To love it'll be her lovin' me
If anyone ever goes out of their way
To show they care it'll be her lovin' me

She's every woman that I've ever known rolled up in one
And if I'm ever loved anymore, she'll be the one
To get it done the way it should be it'll be her lovin' me

If ever I'm down and out and need
Someone to care it'll be her lovin' me
If ever I'm in the cold and I need
Someone warm to hold it'll be her lovin' me

She's every woman that I've ever known rolled up in one
And if I'm ever loved anymore, she'll be the one
To get it done the way it should be it'll be her lovin' me

She's every woman that I've ever known rolled up in one
And if I'm ever loved anymore, she'll be the one
To get it done the way it should be it'll be her lovin' me
