

No Earthly Good

Johnny Cash

Come hear me good brothers, come here one and all
Don't brag about standing or you'll surely fall
You're shinin' your light and shine it you should
But you're so heavenly minded you're no earthly good
No earthly good you are no earthly good
You're so heavenly minded you're no earthly good
You're shinin' your light yes and shine it you should
You're so heavenly minded and you're no earthly good

Come hear me good sisters you're salt of the earth
If your salt isn't salted then what is it worth
You could give someone a cool drink if you would
You're so heavenly minded and you're no earthly good
No earthly good you are no earthly good
You're so heavenly minded you're no earthly good
You could give someone a cool drink if you would
You're so heavenly minded and you're no earthly good

If you're holdin' heaven then spread it around
There are hungry hands reaching up here from the ground
Move over and share the high ground where you stood
So heavenly minded you're no earthly good
No earthly good you are no earthly good
You're so heavenly minded you're no earthly good
Move over and share the high ground where you stood
So heavenly minded and you're no earthly good
No earthly good...
