No Earthly Good

Johnny Cash

Come hear me good brothers, come here one and all Don't brag about standing or you'll surely fall You're shinin' your light and shine it you should But you're so heavenly minded you're no earthly good No earthly good you are no earthly good You're so heavenly minded you're no earthly good You're shinin' your light yes and shine it you should You're so heavenly minded and you're no earthly good

Come hear me good sisters you're salt of the earth If your salt isn't salted then what is it worth You could give someone a cool drink if you would You're so heavenly minded and you're no earthly good No earthly good you are no earthly good You're so heavenly minded you're no earthly good You could give someone a cool drink if you would You're so heavenly minded and you're no earthly good

If you're holdin' heaven then spread it around
There are hungry hands reaching up here from the ground
Move over and share the high ground where you stood
So heavenly minded you're no earthly good
No earthly good you are no earthly good
You're so heavenly minded you're no earthly good
Move over and share the high ground where you stood
So heavenly minded and you're no earthly good
No earthly good...
