

No One Will Ever Know

Johnny Cash

No one will ever know my heart is breaking
Although a million teardrops start to flow
I'll cry myself to sleep and wake up smiling
I'll love you but no one will ever know

I'll tell them we grew tired of each other
And that I was glad the day you set me free
I'll even make believe I never loved you
And no one will ever know the truth but me

I'll tell them we grew tired of each other
And that I was glad the day you set me free
I'll even make believe I never loved you
And no one will ever know the truth but me
