Johnny Cash

Is it getting better? Or do you feel the same?

Will it make it easier on you now? If youve got someone to blame?

You said

One love, one life

When it's one need in the night

One love we get to share it

It leaves you baby if you don't care for it

Did I disappoint you or leave a bad taste in your mouth?

You act like you never had love and you want me to go without.

Well, it's
too late tonight
to drag the past out into the light.
We're one but we're not the same.
We get to carry each other,
carry each other one

Have you come here for forgiveness
Have you come to raise the dead
Have you come here to play jesus
to the lepors in your head?

Did I ask too much, more than a lot
You gave me nothing now it's all I got
We're one but we're not the same.
Well we hurt each other and we're do it again

You said
Love is a temple, love the higher law

Love is a temple, love the higher law

You ask me to enter, but then you make me crawl

And I can't be holdin on to what youve got

When all youve got is hurt

One love, one blood, one life
You've got to do what you should
One life with each other: sister, brothers.
One life but we're not the same
We get to carry each other, carry each other
