

# You're So Close To Me

Johnny Cash

You're so close to me your body and your soul're now a part of  
me  
We are one now no one could ever know just what you are to me  
You're so close to me your deepest darkest secrets all belong t  
o me  
I am you you are me you're so close to me

And in the morning I can look into your eyes and know your feel  
ings  
We can talk to one another without speaking  
And if it's lovin' that you're gonna know it  
Your sweet eyes show it every morning

You're so close to me your body and your soul're now a part of  
me  
We are one now no one could ever know just what you are to me  
You're so close to me your deepest darkest secrets all belong t  
o me  
I am you you are me you're so close to me

And in the evening I can feel your gentle softness without touc  
hin' you  
I don't need another thing I've got so much in you  
And if it's lovin' that you're gonna give it  
I'm gonna live it every evening

You're so close to me your body and your soul're now a part of  
me  
We are one now no one could ever know just what you are to me  
You're so close to me your deepest darkest secrets all belong t  
o me  
I am you you are me you're so close to me
