

Giving My All To You

Johnny Gill

Ooh...ooh...

Oh...oh...oh...

Oh...oh...yeah, yeah

Giving my all to you (Yeah)

Nothing else will do (Yeah, whoa, yeah)

Giving my all to you today

I wanna know (I wanna know) if you love me that way (If you love me that way
)

Sometimes I feel

I don't know

Which is up

Or which is down

You make me feel

Like you're not for real

You play with my emotions

But I can't let you go

I've got this love burnin' deep down inside of me

Tellin' me that I should believe everything that you say

It's so hard to live a life with somebody day in, day out

I've got to know the truth

I can't be, I can't be just wastin' my time, so I'll be

Giving my all to you (Yes, I will)

Nothing else will do (Nothing else will do, I'll be)

Giving my all to you today (You today)

I wanna know if you love me that way

Giving my all to you (Giving my all)

Nothing else will do (Nothing else will do)

Giving my all to you today (Oh)

I wanna know if you love me that way

I'll make the moves

So you can see

How I wanna give my body

Desperately

This love is real

And I'll make it known

If we're made for each other

This feeling can't be wrong

So baby, be sure you want me with you tonight

'Cause I have no intention of being with someone else

I'm waiting for you, baby, come to me

I'll be the best to you

No one, no one can do the things that I'll do

Giving my all to you (Yeah...I)

Nothing else will do (No one, no one)

Giving my all to you today

I wanna know (I wanna know) if you love me that way

(If you love me that way, love me)

Giving my all to you (I...I...I...)
Nothing else will do (I know nothing in this whole wide world)
Giving my all to you today (Can ever do, ever do, oh)
I wanna know (I wanna know) if you love me that way (If you love me that way)

Love me, love me
Love me, love me
Nothing else will do
Nothing else will do, eah...hey...
Oh...

I wanna know (I wanna know) if you love me that way
(If you love me, baby, love me, baby, love me, baby)

Giving my all to you (Giving my all to you)
(I'm giving my all, giving my all to you)
(I'm giving my all, giving my all, giving my all)
I wanna know (I wanna know) if you love me that way
