

# Having Illusions

Johnny Gill

You were the only one, that I ever loved  
And you promised you wouldn't break my heart  
Oh please, tell me how could you do this to me?  
Well, I've been having dreams of losing you  
Then some how I don't know my dream came true  
And I don't know if I could live alone

Oh, I can't believe you still love me baby  
It's even impossible that you would even care  
But I know I can't forget that you let me down  
And I can't believe you broke my heart

I'm having illusions, I'm losing my mind  
I can't sleep at night 'cause I can't have my baby tonight  
Yeah baby, I'm losing my mind, I need you in my life

So tell me how's it feel to know you've done some wrong  
To someone who was right for you  
Oh, how could it be that you just don't love me no more, yeah  
Well you've been telling everybody I wasn't you're type of guy  
Well, you know that I am well but you were down

Oh, is it sick to think that you even love me  
I've even had second thoughts that you even care  
But I know I can't forget that you let me down  
And I can't believe that you broke my heart

I'm having illusions, I'm losing my mind  
I can't sleep at night cause I can't have my baby tonight  
Yeah, baby I'm losing my mind, I need you in my life

I'm having illusions, I'm losing my mind  
I can't figure out why my baby is out of my life  
Yeah, baby I'm losing my mind, I need you in my life

Tell me, tell me why me?  
Give me a reason why you had to leave  
After all that we've been through  
What did I ever do to lose you?

Well I'll just sit right here and cry  
Because you know that I'd rather die  
Than spend a day without you baby, I'm on my knees, I'm begging  
God knows I need you, I need you, I need you, oh

I'm having illusions, I'm losing my mind  
I can't sleep at night 'cause I can't have my baby tonight  
Yeah baby, I'm losing my mind, I need you in my life

I'm having illusions, I'm losing my mind  
I can't figure out why my baby is out of my life  
Yeah, I'm losing my mind, I need you in my life

I'm having illusions, I can't sleep at night  
Oh, said I need you baby, said I need you baby  
Said I want you baby, I can't live without you
