

# Love U Right

Johnny Gill

Let me love you, let me love u right  
I can do it baby  
Love u right, love u right  
Let me love you, let me love u right  
I can do it baby  
Love u right, love u right

Lady, why is it that you're sittin' at home alone  
Claimin' that you've got a man, baby, I don't understand  
Why would he just leave you, thinkin' you would go nowhere?  
Showin' he don't really care about you

You need a man  
Oh, one that's gonna show you how to [Incomprehensible]  
You need a man  
Oh, from real life fantasy

You need a man  
Oh, one unselfish lover  
You need a man  
That knows everythin' that you're thinkin' of  
Let me

Let me love you, let me love u right  
I can do it baby  
Love u right, love u right  
Let me love you, let me love u right  
I can do it baby  
Love u right, love u right

I'll lay your body down  
Give you what you want, how you want it  
When you need it, baby

I'm gonna make you feel so good  
As I'll go deep and deeper  
I can feel the passion burnin', baby  
Deep inside of you  
That fire you're getting deep inside of you

I'm gonna make you feel like you've never felt baby  
Everything I'm gonna do to you  
Is gonna drive you crazy, crazy, crazy, crazy  
I'm gonna make you feel like you've never felt baby  
Everything I'm gonna do to you  
Is gonna drive you crazy, crazy, crazy, crazy

Let me love you, let me love u right  
I can do it baby  
Love u right, love u right  
Let me love you, let me love u right  
I can do it baby  
Love u right, love u right

You see everything that you think you need  
I want you to know that I've got it, alright  
Listen, everythin' that you think that you want, that you need

I'm gonna give you all you gotta do is, baby, please let me

I'm gonna make you feel like you've never felt baby

Everything I'm gonna do to you

Is gonna drive you crazy, crazy, crazy, crazy

Let me love you, let me love u right

I can do it baby

Love u right, love u right

Let me love you
