

When Something Is Wrong With My Baby

Johnny Gill

When something is wrong with my baby, well, well
Something is wrong with me
And if I know she's worried
Then I would feel that same misery

We've been through so much together
We've been as one
And that's what makes it better
When something is wrong with my baby
Something is wrong with me

Just what she means to me now
Oh...you just wouldn't, you just wouldn't understand
People can say, mmm, hmm, she's no good
But oh, she's my woman
And I know I'm her man

And if she's got a problem
I, oh, I know, I know I got to help her solve it
When something is wrong with my baby
Something is wrong with me

Oh, oh, when something is wrong with my baby
Something is wrong with me, oh...oh...oh...
When something is wrong with my baby
Something is wrong with me

Oh, oh, when something is wrong with my baby
Something is wrong with me, yeah, yeah
