When Something Is Wrong With My Baby

Johnny Gill

When something is wrong with my baby, well, well Something is wrong with me And if I know she's worried Then I would feel that same misery

We've been through so much together We've been as one And that's what makes it better When something is wrong with my baby Something is wrong with me

Just what she means to me now Oh...you just wouldn't, you just wouldn't understand People can say, mmm, hmm, she's no good But oh, she's my woman And I know I'm her man

And if she's got a problem I, oh, I know, I know I got to help her solve it When something is wrong with my baby Something is wrong with me

Oh, oh, when something is wrong with my baby Something is wrong with me, oh...oh... When something is wrong with my baby Something is wrong with me

Oh, oh, when something is wrong with my baby Something is wrong with me, yeah, yeah
