

## Where Do We Go From Here

Johnny Gill

ow there comes a time when love can take you away  
And it came across for you and I  
Now I don't what or how to go from here  
I really don't know just what to do  
So baby can you tell me

Where do we go from here  
(where do we go from here)  
Do we walk away yeah (do we walk away)  
Or do we keep on trying  
After the feeling ends (the feeling's gone, the feeling's gone)  
My love

Oh my love, Oh my love yeah

Now there.....was a time  
When I thought I knew you well  
That's when we were young and satisfied  
Now I don't know what or how to go about it  
Can we take a chance and patch things up  
Or just leave it all the mess it is
