

# What Other Reason

Johnny Hates Jazz

I've tried so hard  
To make you understand  
That this is not a lie  
Believe in me  
And if you take my hand  
And look me in the eyes

What other reason can I give to you  
When I want you and I need you  
What other reason can I give to you  
When I want you, 'cos I love you

The two of us  
Have got a fighting chance  
But you don't want to win  
Now is the time  
You gotta, break the chains  
But don't you dare give in

How much stronger must I stay  
Until you find out you believe  
In love
