What Other Reason

Johnny Hates Jazz

I've tried so hard To make you understand That this is not a lie Believe in me And if you take my hand And look me in the eyes

What other reason can I give to you When I want you and I need you What other reason can I give to you When I want you, 'cos I love you

The two of us Have got a fighting chance But you don't want to win Now is the time You gotta, break the chains But don't you dare give in

How much stronger must I stay Until you find out you believe In love
