Golden Rocket

Johnny Horton

From old Montana down to Alabam I've been before and I'll trave l again You triflin' women can't keep a good man down You dealt the cards but you missed a play so hit the road and be on your way Gonna board the Golden Rocket and leave this town Well hear her thunder on through the night this Golden Rocket is doin' me right And that sunny south land sure is a part of me From your call board hears my name Your fire went out you done lost your flames And this Golden Rocket is gonna roll my blues away Yeah I was a good engine a runnin' on time but baby I'm switch in' to another line So honey never hang your signal out for me I'm tired of runnin' on the same old track Bought a one way ticket and I won't be back This Golden Rocket's gonna blow my blues away

Well hear her thunder...
