In may of nineteen forty-one the war had just begun The germans had the biggest ships That had the biggest guns The Bismark was the fastest ship That ever sailed the seas On her deck were guns as big as steers And shells as big as trees Out of the cold and foggy night Came the british ship the Hood And ev'ry british seaman he knew and understood They had to sink the Bismark the terror of the sea Stop those guns as big as steers And those shells as big as trees We'll find that german battleship That's makin' such a fuss We gotta sink the Bismark 'Cause the world depends on us Hit the decks a-runnin' boys And spin those guns around When we find the Bismark we gotta cut her down The Hood found the Bismark and on that fatal day The Bismark started firin' fifteen miles away We gotta sink the Bismark was the battle sound But when the smoke had cleared away The mighty Hood went down For six long days and weary nights They tried to find her trail Churchill told the people put ev'ry ship a-sail 'Cause somewhere on that ocean I know she's gotta be We gotta sink the Bismark to the bottom of the sea We'll find that german battleship That's makin' such a fuss We gotta sink the Bismark 'Cause the world depends on us Hit the decks a-runnin' boys And spin those guns around When we find the Bismark we gotta cut her down The fog was gone the seventh day And they saw the mornin' sun Ten hours away from homeland The Bismark made its run The admiral of the british fleet said Turn those bows around We found that german battleship And we're gonna cut her down The british guns were aimed And the shells were comin' fast The first shell hit the Bismark They knew she couldn't last That mighty german battleship is just a memory Sink the Bismark was the battle cry That shook the seven seas We found that german battleship Was makin' such a fuss We had to sink the Bismark 'Cause the world depends on us

We hit the deck a-runnin' and
We spun those guns around
We found the mighty Bismark
And then we cut her down
We found that german battleship
Was makin' such a fuss
We had to sink the Bismark
'Cause the world depends on us
We hit the deck a-runnin' and
We spun those guns around
We found the mighty Bismark
And then we cut her down
