

# The Messenger

Johnny Marr

(Verse)

I hear it snap, hurry up, see,  
Let's get rich and get the feeling to have it all.  
A face that fits you, it really fits you,  
It's a snip, bruised as a hobbit now.

(Pre-Chorus)

A reason to have it all.  
Here it is, the pillow kids, have it all.

(Chorus)

Take in a car on run, I've got an ambition,  
Broke as fits as mine,  
We got a television.

(Pre-Chorus)

A reason to have it all.  
Here it is, the pillow kids, have it all.

(Chorus)

Take in a car on run, I've got an ambition,  
Broke as fits as mine,  
We got a television.
