

Oooh, I feel it coming round  
I hear it, sounds like the good life  
I know  
Oooh, I see this running down  
Defiance comes, oooh  
The underground is overground  
The overground will pull you down  
It's how it goes in these times  
How we know it's in their eyes  
Upstarts now are on their way  
Upstarts now have to pay  
Oooh, I hear us coming round  
Denial comes, oooh  
The underground is overground  
The overground will pull you down  
It's how it goes in these times  
How we know it's in our eyes  
Upstarts now are on their way  
Upstarts now have to pay  
And hear, they tell it now so fast  
Oooh, I hear us coming round  
Oooh, I feel it  
Upstarts are on their way
