

# All I Ask of You

Johnny Mathis

No more talk of darkness  
Forget these wide eyed fears  
I'm here, nothing can harm you  
My words will warm and calm you  
Let me be your freedom  
Let daylight dry your tears  
I'm here, with you, beside me  
To guard you and to guide me  
Say you love me every waking moment  
Turn my head with talk of summertime  
Say you need me with you now and always  
Promise me, that all you say is true  
That's all I ask of you

Let me be your shelter  
Let me be your light  
You're safe, no one will find you  
Your fears are far behind you  
All I want is freedom  
A world with no more night  
And you, always beside you  
To hold me and to hide you  
Then say you'll share with me one love, one lifetime  
Let me lead you from your solitude  
Say you need me with you here beside you  
Anywhere, you go let me go too  
Love me, that's all I ask of you

Say the word and I will follow you  
Share each day with me, each night each morning  
Say you feel the way I do  
Love me, that's all I ask of you

Anywhere you go let me go too  
That's all I ask of you
