

# All That Is Missing

Johnny Mathis

I talk to you but it's not the same  
As touching' you  
And every time you whisper my name  
I wanna run to you

We'll be together  
It won't be long, it won't be long  
But it feels like forever  
And it's hard to be strong

Baby, 'cause I'm missing you now  
And it's drivin' me crazy  
How I'm needin' you, baby

I'm missing you now  
Can't wait till I'm alone with you  
To show you how I'm missing you now

Wishin' you were here by my side  
Is all that I can do  
My arms around my pillow at night  
They should be holdin' you

I thought I was stronger  
How could I know, how could I know  
I can't take this much longer  
It's so hard on my soul

Baby, 'cause I'm missing you now  
And it's drivin' me crazy  
How I'm needin' you, baby

I'm missing you now  
Can't wait till I'm alone with you  
To show you how I'm missing you now

Baby, I just can't wait till I see your face  
Chase away this loneliness inside  
When you're close to my heart, right here in my arms  
Then and only then, will I be satisfied  
(I'm missing you now)

We'll be together  
It won't be long, it won't be long  
But it feels like forever  
And it's hard to be strong

Baby, 'cause I'm missing you now  
And it's drivin' me crazy  
How I'm needin' you, baby

I'm missing you now  
Can't wait till I'm alone with you  
To show you how I'm missing you now

Missing you now  
And it's drivin' me crazy

How I'm needin' you, baby

I'm missing you now  
Can't wait till I'm alone with you  
To show you how I'm missing you now

Missing you now  
And it's drivin' me crazy  
How I'm needin' you, baby
