

# Always and Forever

Johnny Mathis

Always and forever  
Each moment with you  
Is just like a dream to me  
That somehow came true, yeah

And I know tomorrow  
Will still be the same  
Cuz we got a life of love  
That won't ever change and

Everyday love me your own special way  
Melt all my heart away with a smile  
Take time to tell me you really care  
And we'll share tomorrow together  
I'll always love you forever

There'll always be sunshine  
When I look at you  
It's something I can't explain  
Just the things that you do

If you get lonely  
Call me and take  
A second to give to me  
That magic you make and

Everyday love me your own special way  
Melt all my heart away with a smile  
Take time to tell me you really care  
And we'll share tomorrow together  
And I'll always love you forever

Always and forever  
I'll always love you

I'll always love you

Always and forever  
I'll always love you
