Girl you are to me
All that a woman should be
And I dedicate my life to you, always

A love like yours is rare

It must have been sent from up above

And I know you'll stay this way for, always

And we both know
That our love will grow
And forever, it will be
You and me

Ooh, you're like the sun Chasing all the rain away When you come around You bring brighter days

You're the perfect one
For me, and you forever will be
And I will love you so for, always

Come with me my sweet
Let's go make a family
And they will bring us joy for always

Oh boy I love you so Can't find enough ways to let you know But you can be sure I'm yours, for always

And we both know
That our love will grow
And forever, it will be
You and me

Ooh, you're like the sun Chasing all the rain away When you come around You bring brighter days

You're the perfect one
For me, and you forever will be
And I will love you so for, always

And I will love you so for, always And I will love you so for, always And I will love you so for, always

For, always
