

And I Love You So

Johnny Mathis

And I love you so
The people ask me how
How I lived till now
I tell them, I don't know

I guess they understand
How lonely life has been
But life began again
The day you took my hand

And yes I know, how lonely life can be
The shadows follow me
And the night won't set me free
But I don't let the evening get me down
Now that you're around me

And you love me too
Your thoughts are just for me
You set my spirit free
I'm happy that you do

The book of life is green
And once a page is read
All that life is dead
This is my belief

And yes I know, how lonely life can be
The shadows follow me
And the night won't set me free
But I don't let the evening get me down
Now that you're around me
