

# Call Me

Johnny Mathis

Call me  
If your arms are lonely  
Call me  
If you're feeling blue  
If you don't believe me  
Just call and say you need me  
And darling I'll come to you

Call me  
If your dreams should tumble  
I will help you start anew

If you don't believe me  
Just call and say you need me  
And darling I'll come to you

Call me if thing looks hopeless and gray  
I'll come and change the view  
Call me when spring seems farthest away  
I'll change the seasons for you

Call and say you want me near you  
I'll be there before you're though  
If you don't believe me  
Just call and say you need me  
And darling I'll come to you

Call and say you want me near you  
I'll be there before you're though  
If you don't believe me  
Just call and say you need me  
And darling I'll fly to you
