

## Can't Get Out of This Mood

Johnny Mathis

I've got the world on a string  
I'm sitting on a rainbow  
Got that string around my finger  
What a world, what a life, I'm in love

I've got a song that I sing  
And I can make the rain go  
Any time I move my finger  
Lucky me, can't you see, I'm in love

Life's a wonderful thing  
As long as I've got that string  
I'd be a silly so-and-so  
If I should ever let you go

I've got the world on a string  
I'm sitting on the rainbow  
I've got that string around my finger  
Oh, What a world, what a life, I'm in love

Life's a wonderful thing  
As long as I hold the string  
I'd be a crazy so-and-so  
If I should ever let her go

I've got the world on a string  
I'm sitting on a rainbow  
I got that string around my finger  
What a world, what a life  
Oh, what a world, what life  
What a world, what life, cause I'm in love  
[He's in love, he's in love]  
I'm in love  
[Got the world on a string]  
And what a wonderful thing  
[Alright]  
When you get the world on a string  
[Uh huh]
