Close to You

Johnny Mathis

Why do birds suddenly appear Every time you are near? Just like me, they long to be Close to you

Why do stars fall down from the sky Every time you walk by?
Just like me, they long to be Close to you

On the day that you were born the angels got together And decided to create a dream come true So they sprinkled moon dust in your hair And golden starlight in your eyes of blue

That is why all the boys in town Follow you All around Just like me, they long to be Close to you

(Just like me, they long to be Close to you)

On the day that you were born the angels got together And decided to create a dream come true

So they sprinkled moon dust in your hair

Of gold and starlight in your eyes of blue

That is why all the boys in town Follow you All around Just like me, they long to be Close to you Just like me, they long to be Close to you...
