Dancing in the Dark

Johnny Mathis

Dancing in the dark 'til the tune ends We're dancing in the dark and it soon ends We're waltzing in the wonder of why we're here Time hurries by, we're here and gone

Looking for the light of a new love To brighten up the night, I have you love And we can face the music together Dancing in the dark

What- though love is old What- though song is old Through them we can be young

Hear this heart of mine
Make yours part of mine
Dear one, tell me that we're one

Dancing in the dark 'til the tune ends We're dancing in the dark and it soon ends We're waltzing in the wonder of why we're here Time hurries by, we're here and gone

Looking for the light of a new love To brighten up the night, I have you love And we can face the music together Dancing in the dark
