

Do Me Wrong, but Do Me

Johnny Mathis

Do me wrong, but do me
Do me like you did before
Take me for a fool, but take me
I'm scratchin' at your door, oh

Make me cry, but make me
Yours for evermore
Do me wrong
But do me like you did before

Treat me bad, but treat me
Come and give me what you said you'd give
Call me clown, but call me
I need your love to be here

Hold me down, but hold me
That's what I'm here for
Do me wrong
But do me like you did before, yeah yeah

You're keepin' my pride
It's keepin' me lonely
Should I just as soon let it go

(Do me wrong, but do me)
(Do me wrong, but do me)
(Do me wrong, but do me)
(Do me wrong)

Ha, Do me wrong, but do me
Here for a little while
Feed me crumbs, but feed me
I'm hungry for your smile, ha

Let me down, but ooh just let me
Feel your love once more
Do me wrong
But do me like you did before, yeah yeah

You're keepin' my pride
It's keepin' me lonely
Well, I just as soon let it go

Do me wrong, but do do do me
Do me wrong, but do do do me
Do me wrong, but do me baby
Scratchin' at your door, do me like before, yeah

Do me wrong, but do do do it baby
Do me wrong, but do it, do it, yeah yeah
Yeah, baby
Do it baby, Do it to me like it was before

Yeah do you remember
I remember, do you remember
Oh baby, scratchin', scratch, scratchin'
Scratchin', scratchin' at your door
