I Can't Stop Loving You

Johnny Mathis

I can't stop loving you So I've made up my mind To live a memory of that lonesome time I can't stop wanting you It's useless to say So I'll just live my life in dreams of yesterday Those happy hours That we once knew Though long ago They still make me blue They say that time heals a broken heart But time has stood still Since we've been apart I can't stop loving you I've made up my mind To live a memory of a lonesome time I can't stop wanting you It's useless to say So I'll just live my life in dreams of yesterday So I'll just live my life in dreams of yesterday
