

# I Write the Songs

Johnny Mathis

I've been alive forever,  
And I wrote the very first song.  
I put the words and the melodies together,  
I am music,  
And I write the songs.

I write the songs that make the whole world sing.  
I write the songs of love and special things.  
I write the songs that make the young girls cry.  
I write the songs, I write the songs.

My home lies deep within you,  
And I've got my own place in your soul.  
Now, when I look out through your eyes,  
I'm young again, even though I'm very old.

I write the songs that make the whole world sing.  
I write the songs of love and special things.  
I write the songs that make the young girls cry.  
I write the songs, I write the songs.

Oh my music makes you dance  
And gives your spirit to take a chance,  
And I wrote some rock 'n' roll so you can move.  
Music fills your heart,  
Well, that's a real fine place to start.  
It's from me it's for you,  
It's from you, it's from me,  
It's a world wide symphony.

I write the songs that make the whole world sing.  
I write the songs of love and special things.  
I write the songs that make the young girls cry.  
I write the songs, I write the songs.

I am music, and I write the songs.
