

## It Could Happen to You

Johnny Mathis

Hide your heart from sight, lock your dreams at night  
It could happen to you  
Don't count stars or you might stumble  
Someone drops a sigh and down you tumble  
Keep an eye on spring, run when church bells ring  
It could happen to you  
All I did was wonder how your arms would be  
And it happened to me  
Keep an eye on spring, run when church bells ring  
It could happen to you  
All I did was wonder how your arms would be  
And it happened to me
